DTL Fleischmann Alt Bold	€ 100
DTL Fleischmann Alt Bold Italic	€ 100

The **T** (= text, point size plus/minus 18 and smaller) and **D** (= display, point size plus/minus 24 and larger) codes refer to the differences in design and contrast. The **D** versions have for instance a higher contrast. The fonts have no physical limitations, the given point sizes are only meant as guidelines.

All fonts of the **Text** version of the **DTL Fleischmann** typeface for **Western European** languages in the **PostScript Type1** and **TrueType** formats can be licensed separately, in any combination.

A single user license for the complete **Text** version of the **DTL Fleischmann** typeface for **Western European** languages in one of these two formats costs € 1.755 (that is € 1.950 minus 10% discount).

**Prices listed in this overview are for a single user license, that is a user right for one stand-alone CPU.**

Prices are end user prices exclusive duties or taxes like v.a.t. and exclusive shipment.

If you want to use the fonts on more than one computer, please contact the Dutch Type Library for a quote via e-mail at [sales@dutchtypelibrary.com](mailto:sales@dutchtypelibrary.com)
